

NDIS Mental Health Access Workshop

Would you like more information regarding NDIS access for people with psychosocial disability?

Julian Carr, from the National Disability Insurance Agency (NDIA) Mental Health and Hard to Reach Team, will be in Adelaide on 20 and 21 September to facilitate two NDIS Mental Health Access Workshops.

These workshops, identical in content, are designed to inform and assist sector champions and subject matter experts, with the NDIS access requirements and considerations for people with psychosocial disability.

Please note: This workshop material was delivered in Adelaide in May 2018. This second opportunity is aimed at sector representatives who have not previously attended, or who are looking for a refresher.

For further information, or to advise of additional accessibility requirements, please contact the NDIA SA and Far West NSW Community Engagement Team on 0475 831 404.

To book into your workshop of preference, please find registration details below.

Venue:

Australian Taxation Office Building

Entrance closest to Public Café

Mezzanine Level (Level One)

26 Franklin Street

Adelaide SA 5000

First Workshop

Thursday 20 September 2018
